Report Released Today

Today, Special Commissioner of Investigation Richard J. Condon released a report detailing an investigation into an allegation, raised by the media, that a teacher caught Omotayo Adeoye, a student at the High School for Mathematics, Science and Engineering at City College, cheating on a test and “chided” her, shortly before Omotayo committed suicide.

Special Commissioner Condon has referred his findings to Chancellor Fariña. The investigation did not find wrongdoing by the teacher or any other staff member at the school.

The Office of the Special Commissioner of Investigation is part of the New York City Department of Investigation and Special Commissioner Condon reports to Commissioner Mark G. Peters.
